Ltd. for shares held in physical form, with relevant documents that may be required.
17. In view of the COVID-19 pandemic and resultant difficulties involved in dispatch of physical copies of the Annual Report, the MCA, vide its Circular dated May 5, 2020 has dispensed with the requirement of dispatch of physical copies of the Annual Report. Accordingly, the Notice of the AGM along with the Annual Report 2021-22 is being sent only by electronic mode to those

Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice and Annual Report 2021-22 will also be available on the Company's website www.risainternational.in, websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com and on the website of NSDL www.evoting.nsdl.com.

18. The Scrutinizer will submit his report to the Chairman or any other person authorized by the Chairman, after the completion of the scrutiny of the e-voting (votes cast during the AGM and votes cast through remote e-voting), not later than 48 hours from the conclusion of the AGM. The result declared along with the Scrutinizer's report shall be communicated to the stock exchanges on which the Company's shares are listed, NSDL, and RTA, and will also be displayed on the Company's website at www.risainternational.in.
19. Members at the 26th AGM of the Company, held on 10th March, 2021 had approved the appointment of M/s AMS & Co., Chartered Accountant (Firm Regn. No. 130878W) as statutory auditors of the Company, to hold office from the conclusion of 26th AGM till the conclusion of 31st AGM, subject to ratification of shareholders.

The Ministry of Corporate Affairs vide its Notification dated May 7, 2018 has dispensed with the requirement of ratification of Auditors appointment by shareholders every year. Hence, the resolution relating to ratification of Auditors' appointment is not included in the Notice to the AGM.

SECRETARIAL AUDIT REPORT**

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2022

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
M/s Risa International Limited
CIN: L99999MH1993PLC071062
7, PLOT - 27/33, BEAUMON CHAMBERS,
NAGINDAS MASTER LANE,
HUTATMA CHOWK, FORT MUMBAI,
Mumbai - 400001

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s Risa International Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31st, 2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31st, 2022, according to the provisions of:

- a) The Companies Act, 2013 (the Act) and the rules made there under;
- b) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- c) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- d) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- e) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; (Not applicable to the Company during the Audit Period)
- (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulation, 2014; (Not applicable to the Company during the Audit Period)
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the Company during the Audit Period)
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not applicable to the Company during the Audit Period) and;
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (Not applicable to the Company during the Audit Period)

I have relied on the representation made by the Company and its Officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations to the Company.

I have also examined compliance with the applicable clauses of the following:

- (ii) *The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirement) Regulation, 2015 (the "LODR");*
- (iii) *Secretarial Standard issued by The Institute of Company Secretaries of India;*

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above Subject to the following Observation:

1. *Company is having subsidiary incorporated outside India and as per the requirement of Section 129 of the Companies Act, 2013, Company has not prepared the consolidated financial statement.*

INDEPENDENT AUDITOR'S REPORT

To the Members of
RISA INTERNATIONAL LIMITED

Report on the Audit of the Standalone Ind AS Financial Statements**Opinion**

We have audited the accompanying standalone financial statements of Risa International Limited (the "Company"), which comprise the standalone balance sheet as at March 31, 2022, and the standalone statement of Profit and Loss (including other comprehensive income), and the standalone statement of changes in equity and the standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Standalone Financials Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

We draw your attention to the Note 31 in the Financial Statements, which contains the bad debts written off & other income due to reversal of Trade Payable and other current liability and net of amount of the same amounting to Rs. 11.82 Lacs is shown as Sundry Balance written off (Net) under Note 21 in the Financial Statements and the same is based on the Management's estimate of the recoverability & payment of the dues, our opinion is not modified in respect of this matter.

We draw your Attention to Note no. 26 of the accompanying notes to the financial statements regarding Balances of Trade Receivables, Trade payables, Capital Advances, other advances given and taken and Loans given and taken are subject to Confirmation/Reconciliation consequential adjustment, if any. Our opinion is not modified in respect of this matter

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. During the course of our audit, we have determined that there are no key audit matters to be communicated in our report except for the matters prescribed in emphasis of matter

Information other than the Financials Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financials Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatement in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the Standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The standalone Balance Sheet, the standalone Statement of Profit and Loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act;

- (e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act, in our opinion, according to the information and explanation give to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V of the Act, and
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company doesn't have any pending litigations which is required to be disclosed in the report.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. The Company has transferred funds which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company("Ultimate Beneficiaries"), or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- v. The Company has neither declared nor paid any dividend during the year.

- viii. a. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence reporting under clause 3 (xvi)(a) (b) and (c) of the order is not applicable.
- b. In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3 (xvi) (d) of the order is not applicable.
- xvii. On an overall examination of the financial statements of the Company, the Company has incurred cash losses in the current financial year and in the immediately preceding financial year.
- xviii. There has not been any resignation of the statutory auditors during the year, accordingly this clause is not applicable to the Company.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. The requirements as stipulated by the provisions of Section 135 of the Companies Act, 2013 are not applicable to the Company. Accordingly, reporting under clause 3(xx)(a) and (b) of the Order are not applicable.

Annexure- B
TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Risa International Limited (the "Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and

appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS AS AT MARCH 31, 2022

1 General Information

Risa International Limited ("the Company") is company domiciled in India having its registered office situated at 7, Plot-27/33, Beaumon Chambers, Nagindas Master Lane, Hutatma Chowk, Fort, Mumbai-400001. The Company was incorporated on 09.03.1993 under Companies Act, 1956 and its shares are listed on Bombay Stock Exchange (BSE), India and the Company is engaged in Trading and Realty.

2 Significant Accounting Policies**A Basic for Preparations****1 Statement of Compliance**

The Financial Statements have been prepared in accordance with IND AS notified under the Companies (Indian Accounting Standard) Rules, 2015. Accordingly, these financial statements have been prepared in accordance with INDAS notified by section 133 of the Companies Act, 2013 read with relevant rules issued thereunder from time to time, to the extent applicable to the company. The Company has prepared these financial statements which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss for the year ended 31st March, 2022, the Statement of Cash Flows for the year ended 31st March, 2022 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'financial statements').

The Financial Statements are presented in Indian Rupees which is rounded off in Lakhs as per requirement of Schedule III of the Act.

2 Use of Estimates

The preparation of the financial statements in conformity with IND AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which

changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Information about areas involving a higher degree of judgement or complexity or critical judgements in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities, contingent assets and liabilities, income and expenses are included in the following notes :

- a. Impairment of Financial Assets such as Trade Receivable.
- b. Impairment of Non-Financial Assets.
- c. Estimates of Tax Expenses and Liability.
- d. Revenue Resignations.

3 Current and Non-current Classification.

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the schedule III to the Act. The Company classifies all other liability as non-current. Deferred Tax Assets and Liabilities are classified as Non-Current assets and Liabilities.

4 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured regardless of when the payment is being made. The company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

However, there has been no revenue recognised in FY-2021-22.

Sale of Goods

Sales are recognised when substantial risk and rewards of ownership are transferred to customer as per the terms of the contract, there is no continuing managerial involvement with the goods. The Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods, in case of domestic customer, sales take place when goods are dispatched or delivery is handed over to transporter, in case of export customers, sales takes place when goods are shipped on board based on bill of lading.

Interest Income

Interest Income from a financial asset is recognised when it is probable that the economic benefit will flow to the Company and the amount of income can be reliably measured. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

5 Property, Plant & equipment and Intangible Assets

Property, plant and equipment are stated at cost, less accumulated depreciation /amortization and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management. If significant parts of an item of Property, Plant & equipment have different useful lives, then they are accounted for as separate items (major components) of Property, Plant & equipment.

Considering the current operating levels of the Company, and the ongoing CIRP it is not possible to determine Impairment, if any, in the economic value of the property, plant and equipment.

6 Depreciation and Amortisation

The company depreciates property, plant and equipment over their estimated useful lives using the written down value method. Depreciation on additions/deductions to property, plant and equipment is provided on pro-rata basis from the date of actual installation or up to the date of such sale or disposal, as the case may be.

Considering the current operating levels of the company, and the ongoing CIRP it is not possible to determine impairment, if any, in the economic value of the property, plant and equipment.

7 Financial Instruments

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and Financial liabilities are recognized at fair value on initial recognition, except for trade receivables and security deposits, which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through Profit or Loss are added or deducted to the fair value of the financial assets or financial liabilities as appropriate, on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities at fair value through Profit or Loss are recognised immediately in profit and loss.

Financial Assets

The Company initially recognises loans and advances, deposits and debt securities purchased on the date on which they originate. Purchases and Sale of the financial assets are recognised on the trade date, which is the date on which the Company becomes the party to the contractual provisions of the instrument. Financial assets are divided into the following categories :

- a. financial assets carried at amortised cost
- b. financial assets at fair value through other comprehensive income
- c. financial assets at fair value through profit and loss

Financial Assets like investments in Subsidiaries are measured at Cost as allowed by Ind AS 27 - Separate Financial Statements and hence are not fair valued.

a. financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within the business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. These are non-derivative financial assets that are not quoted in an active market. Any change in their value through impairment or reversal of impairment is recognised in the statement of profit and loss.

b. financial assets at fair value through other comprehensive income

Financial assets at fair value through other comprehensive income are non-derivative financial assets held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Fair value movements are recognised in the other comprehensive income (OCI). However, the Company recognises interest income, impairment losses in the statement of profit and loss.

c. financial assets at fair value through profit and loss

Financial asset which is not classified in any of the above categories are subsequently fair valued through profit and loss. It includes non-derivative financial assets that are either designated as such or do not qualify for inclusion in any of the other categories of financial assets. Gain and Losses arising from investments classified under this category is recognised in the statement of profit and loss when they are sold or when the investment is impaired.

Impairment of Financial Assets

In the case of impairment, any loss previously recognised in other comprehensive income is transferred to the statement of profit and loss. Impairment losses recognised in the statement of profit and loss on equity instruments are not reversed through the statement of profit and loss. Impairment losses previously recognised on the debt securities are reversed through the statement of profit and loss when the increase can be related objectively to an event occurring after the impairment loss was recognised in the statement of profit and loss.

Equity instruments measured at fair value through profit and loss that do not have a quoted price in an active market and whose fair value can be reliably measured are measured at cost less impairment at the end of each reporting period.

An assessment for impairment is undertaken at least at each balance sheet date.

Derecognition of Financial Instruments

The company de-recognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition. A financial liability (or a part of a financial liability) is de-recognised from the company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

8 Inventory

Inventories are measured at lower of cost and net realisable value (NRV) after providing for obsolescence, if any. Cost of finished goods and work-in-progress (WIP) includes all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. Net Realizable Value is the estimated selling price in the ordinary course of business less any applicable selling expenses.

Company does not have any inventory for FY-2021-22.

9 Borrowing Cost

Borrowings are initially measured at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in Profit or Loss over the period of the borrowings using the effective interest method.

Borrowing Costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Borrowing cost includes exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the finance cost.

10 Cash and Cash Equivalents

Cash and Cash Equivalents include cash in hand, deposits held at call with banks, other short term highly liquid investments which are readily convertible into known amount of cash and are subject to insignificant risk of change in value. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

11 Provision and Contingencies

A provision is recognised when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date adjusted to reflect the current best estimates. Contingent Liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Contingent Liabilities are not recognised in the financial statements. A contingent asset is neither recognised nor disclosed in the financial statements.

12 Tax Expenses

Income Tax expense comprises Current and Deferred Income Tax. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in Other Comprehensive Income.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Minimum Alternative Tax [MAT] paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the company will pay normal income tax in future periods. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefits associated with it flow to the company and the asset can be measured reliably.

13 Earnings Per Share

Basic earnings per equity share is computed by dividing the Net Profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the Net Profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

14 Leases

Leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments under operating leases are recognized as an expense on a straight line basis in Net Profit in the Statement of Profit and Loss over the lease term.

15 Employee Benefits

i) Short Term Employee Benefits

Short - term employee benefits include performance incentive, salaries & wages, bonus and leave travel allowance. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expenses during the year when the employees render the services.

ii) Long Term Employee Benefits

The liability for gratuity & leave encashment is determined using Projected Unit Credit [PUC] Method and is accounted for on the basis of actuarial valuation in Accordance with IND AS - 19. The company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or Liability. Actuarial Gains and Losses through re-measurements of the net defined benefit liability/(asset) are recognized in Other Comprehensive Income.

16 Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value

measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

In the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is Unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period or each case.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

The carrying amounts of investments, trade receivables, cash and cash equivalents, current loans, current borrowings, other current financial liabilities and trade payables are considered to be approximately equal to the fair value.

I. Fair Value Hierarchy :-

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are :-

- a. recognised and measured at fair value and;
- b. measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the Ind AS.

II. Valuation techniques used to determine fair value :-

Significant valuation techniques used to value financial instruments includes :-

- Use of quoted market price or dealer quotes for similar instruments
- Using discounted cash flow analysis

The fair values computed above for assets measured at amortised cost are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy due to use of unobservable inputs.

Note 30 : Financial instruments – Fair values and risk management (continued)**B. Financial Risk Management**

"The Company has exposure to the following risks arising from financial instruments :-

- Credit risk;
- Liquidity risk;
- Market risk"

i) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables, cash and cash equivalents and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of accounts receivable. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

(a) Trade and other receivables from customers

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends.

Ageing of Accounts receivables :**(Amount in Rs.)**

Particulars	As at31-03-2022	As at31-03-2021
Not Due	-	-
0-3 months	-	-
3-6 months	-	-
Beyond 6 months	2,299.19	3,142.52
TOTAL	2,299.19	3,142.52

Financial Assets are considered to be of good quality and there is no significant increase in credit risk.

(b) Cash and cash equivalents and Other Bank Balances

The Company held cash and cash equivalents and other bank balances of Rs. 0.39 lakhs at 31st March 2022 (PY. Rs. 2.25 lakhs). The cash and cash equivalents are held with bank with good credit ratings and financial institution counterparties with good market standing. Also, Company invests its short term surplus funds in bank fixed deposit, which carry no / low mark to market risks for short duration therefore does not expose the Company to credit risk.

ii. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

Liquidity risk is managed by Company through effective fund management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and other borrowing facilities, by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted.

Maturity Analysis of Significant Financial Liabilities

(Amount in Rs.)

All are payable in Less than 1 year

Particulars	31st March, 2022	31st March, 2021
Borrowings	-	-
Trade Payables	646.95	1,680.44
Other Financial Liabilities	4.29	4.29
TOTAL	651.23	1,684.72

iii. Market Risk

Market Risk is the risk that changes in market prices such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments.

(a) Currency Risk

The functional currency of the Company is Indian Rupee. Currency risk is not material, as the Company does not have any exposure in foreign currency.

(b) Interest Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing Investments because of fluctuations in interest rates. Cash flow interest risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

According to the Company interest rate risk exposure is only for floating rate borrowings. Company does not have any floating rate borrowings in current year or previous year.

(c) Price Risk

Price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded prices. It arises from financial assets such as investments in quoted instruments. The Company does not account for any fixed rate financial assets

or financial liabilities at fair value through profit and loss. Therefore, a change in interest rate at the reporting date would not affect profit or loss. The Company does not have any variable rate instruments in financial assets or financial liabilities.

Note 31 : Capital Management

The Company's objective when managing capital are to- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and- maintain an optimal capital structure to reduce the cost of capital. The capital structure of the Company is based on the management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. The management monitors the return on capital as well as the level of dividends to shareholders. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

Note 32 :

The Company has written off for the year ended 31st March, 2022 amounting to Rs. 968.34 lakhs which pertains to 5 parties and has written back for the year ended 31st March, 2022 amounting to Rs. 956.52 lakhs which pertains to 4 parties.
